**EYELID**

1. How many eyelid surgery procedures have you performed ?

2. Are you board certified? If so, by which board ?

3. If I need lower eyelid surgery to rid myself of "bags," what surgical approach do you recommend ?

4. Is it possible to receive both upper and lower eyelid surgery during the same surgical session ?

5. For upper or lower eyelid surgery, will the scars be extensive or noticeable after I heal ?

6. What are the advantages and disadvantages of eyelid surgery ?

EYELID

7. If my upper eyelids are obscuring my vision, do I qualify for health insurance coverage ?

8. What are my alternatives to receiving a more youthful appearance in this area ?

9. How long must the stitches remain in ?

10. When can I safely resume my regular schedule, including my exercise activities ?

11. When can I resume wearing contact lenses ?

12. Should I expect bruising after eyelid surgery? If so, is there special makeup concealer I should use ?

EYELID

13. May I see the before and after pictures of your previous patients who have had an eyelid procedure similar to mine ?

14. Is this considered an outpatient or inpatient procedure ?
