TUMMY TUCK

1. I would like to reduce my bulging tummy. How do I know if I qualify for a full tummy tuck or a mini tummy tuck surgery ?

2. How many abdominoplasty procedures have you performed ?

3. Are you board certified? If so, by which board ?

4. Many doctors recommend that a female patient delay surgery if she is going to become pregnant. Why is this ?

5. Where will my surgery be performed ?

6. What type of anesthesia is typically recommended for tummy tuck procedures ?

TUMMY TUCK

7. Is this considered an outpatient or inpatient procedure ?

8. Do you recommend performing liposuction along with the tummy tuck procedure ?

9. How long should I expect to be off my feet before returning to work or resuming my workout activities ?

10. Will my scar be noticeable ?

11. How long must I wear a compression garment ?

12. May I see the before and after photos of your previous patients who have had a tummy tuck procedure similar to mine ?

13. What would happen if I gained or lost a large amount of weight after the procedure?

TUMMY TUCK

14. What other body contouring procedure may I want to consider instead of a tummy tuck, or in addition to ?
